Volunteering

Where to start

Volunteer Centre Swindon provides free guidance for anyone looking for volunteering opportunities. We also give free support and good practice advice to volunteer-involving organisations.

It's a great chance to chat and catch up with friends, whilst doing something really useful for my local community.

Volunteer to:

- Learn new skills
- Meet new people
- Boost your confidence
- Make a difference
- Have fun

Come and talk to us for help and advice on where to start volunteering.

I regularly receive calls from prospective volunteers, my next two training courses are full.

If you represent a volunteer involving organisation, Volunteer Centre Swindon can:

- Promote your organisation to potential volunteers
- Offer good practice advice
- Provide network with other local groups
- Help find skilled volunteers

Volunteering enables our employees to lend their time, talent and energy to others whilst developing new skills themselves.

Volunteer Centre Swindon can help businesses:

- Find team building challenges in the local community
- Offer individual volunteering opportunities to staff

If you would like us to send you more information, please fill in below and put it in the post.

I am interested in:

- Evening and weekends
- Weekdays
- Volunteering with groups
- Volunteering one-to-one
- Indoor activities
- Outdoor activities
- Hands on practical opportunities
- Administration or office activities
- Team building/employee volunteering
- Finding out how Volunteer Centre Swindon can help my organisation
